Dear Parents

I am pleased to confirm that hot lunches will continue after half term. The menu will remain at two options (meat or vegetarian) but the children will now have a choice of dessert.

After half term juice will no longer be available but all children will have access to water with their lunch.

Please can I remind you that the overdraft facility on sQuid is now a maximum of £-2.50 which means that if your child has a balance of £-2.50 or if the meal they are trying to order will take their account over -£2.50 they will not be able to order a hot lunch.

Thank you for your support.

Mr Morris
